In the name of God Amen I Robert White being low in health tho perfect in mind and memory do make and constitute this my last Will and Testament. Item I give unto Lucy Tompson one shilling sterling Item I give unto Robert White one shilling sterling. My reason for the above is because I think they have had their full part it is now my wish that my Executors proceede to sell as much of my property as will settle all my just debts it is now my desire that so much of my property be sold as will buy a tract of land for the support of my family. Item I loan all my Estate both real and personal to my beloved wife Elizabeth so long as she remains a widdow and at her death or marriage I would wish my Estate both real and personal to be divided equally amongst the remainder of my children towit George White Catharine White Sarah White Betsy White Robert White Nancy White. Tho if either of my above mentioned children die leaving no lawful issue it is my wish their portion to return to my Estate and be equally divided amongst the survivors tho if [illegible] of my above named children
